

# CONFLUENCE

## Belong

We are a community to call home, where honest relationships are found and formed.

## Reclaim

We interpret Jesus' story as a narrative of liberation, hope, healing, and justice for all people and the earth.

## Act

We build collective voice and power for the common good alongside other community groups in Missoula.

Confluence is a new community partnership for all ages supported by ELCA, Methodist, UCC, and Episcopal churches and campus ministries. We emphasize honest conversations as we detangle faith narratives from systems of oppression, creating a more compassionate world through our words and actions.

JOIN US EVERY SUNDAY
